Dear Parishioners and Visitors,

Happy Mother's Day. Today we collectively and individually give thanks for the sacrifices our mothers make for the well-being of their children, for the steadfast love that mothers have for their children, and for the gifts of wisdom, discipline, and forbearance mothers give to their children. While we only have our birth mother, yet through Godmothers and grandmothers, as well as Jesus' gift to us of Mary his Blessed Mother, so all of us are blessed with these most precious sources of love in our lives, unconditional and life-giving.

While we call God "Our Father" since God is the source of all life and the father of Jesus Our Lord, yet Scripture is clear that God (him)self is pure spirit and the Bible expresses our understanding of God in ways that are equally maternal as they are paternal. "As a mother comforts her child, so will I [God] comfort you." (Isa. 66:13) "He will cover you with his feathers, and under his wings you will find refuge ..." (Psa. 91:4) "I was to them like those who lift their infants to their cheeks. I bent down to them and fed them." (Hosea 11:4) "As an eagle stirs up its nest, and hovers over its young; as it spreads its wings, takes them up, and bears them aloft on its pinions, the Lord alone guided his people." (Deuteronomy 32:11)

These are just some of the biblical images of God who cares for us not just as a father but as a mother as well. And so we give thanks to God not only for his love, but for giving us those special people who also show us a mother's love, this day and every day. A very happy Mother's Day to all. God bless,

Fr. Michael

MOTHER'S DAY QUOTES...

- If at first you don't succeed, try doing it the way your Mom told you to do it from the start.
- Every day I wake up and think: how on earth did I become so much like my mother?
- Most mothers are instinctive philosophers.
- God could not be everywhere and therefore He made mothers.
- Life doesn't come with a manual – it comes with a mother .
