

Hello all-

Thank you for all your work and support to make this medical mission come together! Everything went well. I hope to put together facts and stories from the trip.

We will all hear more about it on the weekend of December 6 & 7. That is our Medical Mission speaker weekend. There is no second collection- it's just to give information and thank the parish for their support. We will have info in the Gathering Area. We will be hosting Coffee & Donuts.

Here is a list of our upcoming events over the next few months. Please think about how you can help. I would like to focus more time on promotional information and looking into ways to improve the medical mission. We also need to decide upon the best/cheapest way to transfer our money to Father Raymond.

Please let me know how you can help. No one of these events is too much work. We always have super volunteers. I can give you lists of all that needs to be done for each.

December: 6 & 7, Haiti Medical Mission speaker at all masses. We host coffee & donuts that weekend. We will need helpers at all masses.

January: Saturday 10th- Pasta Party dinner with other committees. We contribute food/drinks/desserts.

March: Saturday the 7th- Chicken & Biscuit dinner. Insert, blurb, ordering food, coordinating helpers.

Collection for Sea Container Shipment- insert, blurbs, sorting, unpackaging, packing one night in boxes.

April: Wednesday the 1st- our Soup Supper. We provide food/drinks/dessert. Coordinate food donations and helpers for set up and clean up.

May: Wine Tasting and Silent Auction with other committees.

July: Bottle and Can Drive

Thank you, you wonderful people!

Kate
