***\*Thanksgiving & Christmas to be determined***

“The Liturgy is the summit toward which the activity of the Church is directed; at the same time it is the font from which all her power flows. The aim and object of apostolic works is that all who are made sons and daughters of God by faith and Baptism should come together to praise God in the midst of His Church, to take part in the sacrifice, and to eat the Lord's supper. From this it follows that every liturgical celebration, because it is an action of Christ the priest and of His Body which is the Church, is a sacred action surpassing all others; no other action of the Church can equal its efficacy by the same title and to the same degree.”
